About Advantage Flooring Warranty

Proof of purchase date (customer receipt) is necessary to verify all warranty claims. The warranty coverage applies only to the original purchaser and is not transferable. Correct installation practices are critical to the appearance and performance. Your floor must be installed following all standard installation practices. Installation problems are the responsibility of the flooring installer and are not covered by this warranty. This warranty does not cover labour cost on non-professionally installed floors or on floors installed with obvious visible defects.

The following conditions are not included in the warranty coverage:

- Loss of gloss or build-up dulling film due to improper or lack of maintenance.
- Dulling over time can be restored using recommended floor polishes.
- Damage resulting from failure to follow care instructions (i.e. scuffs, scratches, cuts).
- Staining (i.e. tracked-in dyes from carpet, fertilizers).
- Severe accidents (i.e. burns, flooding, fires).
- Abuse (i.e. dragging heavy objects across the floor without proper protection).
- Fading or discolouration from heat or sunlight.
- Damage caused by vacuum cleaner beater bar, caster wheels and cutting from sharp objects.
- Damage caused by animals (domestic or other).
- Any damage caused to floors that were not graded as "regular goods".
- Any damage caused by the floor being installed in a non-household or commercial environment.
- Construction and installation-related damage is not covered by this warranty.
