WOODEND

ULTIMATE HYBRID

Fashion for your floor

The Woodend Collection of Hybrid Timber design draws its inspiration from the latest in fashion trends and colours.

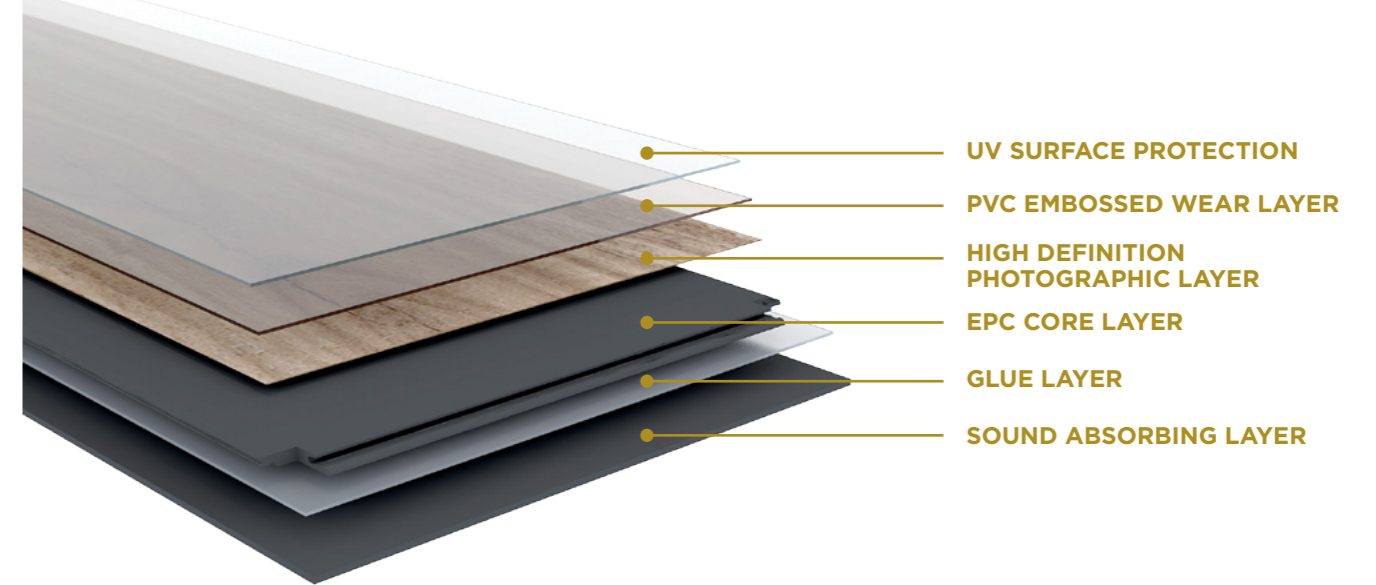

Woodend Ultimate Hybrid Planks are the ideal choice if your looking for an easy to maintain and durable floor. Incorporating our extremely durable PU Coated .05mm Wear Layer and our easy to install 2G/5G Locking System.

Woodend Ultimate Hybrid Planks will weather your daily wear and tear requirements easily. Just sweep or vacuum your floor regularly and occassionally mop or wash to maintain that fabulous look.

DESIGN AND COLOUR VARIATION ARE NOT A MANUFACTURING FAULT.
